# ABOUT US

The Asian American Association (AAA) **welcomes all**, 0-100% Asian, to **celebrate the Asian-American heritage**. With over 400 members, we are one of the largest organizations on campus and serve as an umbrella club for 9 organizations, including the Korean Student Association, Hawaii Club, Vietnamese Student Association, and more! From our annual culture show to casino night to weekly service trips, our many events throughout the year seek to **promote connection** among members and the ND community as a whole. Through **fellowship and service**, we hope to positively reflect the essence of being Asian-American.

Be sure to look out for us at Activities Fair to stay in touch. Hope to see you in the fall!
